These phone numbers for Paul are very old (from 2004), but just in case they are still active:

212-367-8118 or cell 650-799-6715

Hi Lisa,

Nice to make your acquaintance. I believe Mary has made you aware that we're looking into a patent you worked on in private practice. I'm hoping you're willing to take a few minutes out of your schedule and chat with me and some other folks about the history of that deal. If you're willing, please let me know if you're available tomorrow morning and I can send you a meeting invitation.

Thanks in advance and I look forward to speaking with you,

Pat
